[Points to Note Concerning Account Transfer]

- (1) The notice sent to you this time is prepared based on information registered at the University as of late August such as information on your designated bank account for account transfer (a change in address or account, etc.) and on enrollment status (leave of absence, withdrawal from school, etc.).

- (4) We will be notified of the results of account transfer by each financial institution on Monday, November 11th. For questions about account transfer results, please contact us after Monday, November 11th.
- (5) We cannot change contents of the scheduled account transfer such as bank accounts and the amount of withdrawal written on the enclosed “Notice of Account Transfer”. If you suddenly want to stop the account transfer, please contact your financial institution.

- (7) **For students considering taking a leave of absence for the fall semester or withdrawing from the University:**
 - 1) In cases where a student submits a Leave of Absence Request or Withdrawing from the University Request by Tuesday, October 22nd, we will cancel billing and stop account transfers scheduled to be made on the above date.
 - 2) In cases where a student submits a Leave of Absence Request or Withdrawing from the University Request on or after Wednesday, October 23rd, we may make account transfers based on this notice. When such Request by the student is permitted, leading to a change in the amount of academic fees and other payments, any excess payment will be returned later and the outstanding balance due to cancellation will be charged again.

Please notice that failure to make full payment for the relevant academic year by the extended payment deadline **will result in dismissal** in accordance with the University Regulations.
