Points to Note Concerning Payment of Academic Fees and Other Payments

[Payment Method]

Please complete the payment **by the payment deadline**. In principle, please use the enclosed bank transfer form when making the transfer. When transferring money at financial institutions, please have your identification documents (driver's license, health insurance card, passport, etc.) ready.

[Use of Internet Banking Service and Automated Teller Machines (ATMs)]

If you would like to use Internet banking services or ATMs for payment, you should comply with the following points to note to complete the payment.

- (1) The bank transfer form sent by the University should be to hand to ensure that you enter the same amount of payment as the bank transfer form.
- (2) For remitter's name, you need to enter the **"10-digit alphanumeric characters starting with 8"** outlined by the red border on the bank transfer form and **"the student's name"**. If there is an input mistake in the 10-digit characters or the student's name, we may not be able to identify your payment as academic fees, which can cause us to send a reminder for payment. Please be careful.
- (3) Please understand that you need to pay a money transfer fee or other bank charges when imposed.
- (4) We do not send a receipt after payment is confirmed. Therefore, please be sure to keep a detailed statement of the transaction issued by ATMs. (For Internet banking, on-screen information showing the transaction should be printed and kept on hand.)
- (5) Regarding how to use Internet banking or ATMs, please consult with your financial institution.
