Instructions

- The bank account to be registered must be under the name of the student.
- Japan Post Bank (Yu-cho Ginkou) is available only when you have no account at major banks.
- The photocopy or image of your bank passbook must include: bank name, branch name, bank account number, account name (your name) and account type (saving account).
- In case of an online account for which no passbook is issued, attach an image of the webpage of your account which carries the above information.

*The personal information provided herein will only be used for the university's payment procedure.
